QUOTATION FORM

This form is to help me give you a quotation for your website so please give as much information as possible.

Company / Organisation Name:

Postal Address:

Email Address:

How many pages do you expect your site to contain?

Do you have any domain name ideas? Do you already own one?

Do you have a logo you wish to use or would you like one designed for you?

Would you like your site to be an E-commerce (Shop) or Brochure (Informational) site?

Do you already have web space with your broadband package? If so please state as this will affect your quotation.

How soon do you require your website design project to be completed?

Will you be able to provide me with any photos? If so how many will you need in total?
